1. Introduction & Welcome (Branka & Mark)
2. Presentation of Working Group Aims (Mark)
3. Members' Introductions (All)
4. Allocation of Task Leaders (Mark)

At the end of the meeting, we had 7 volunteers to lead the 4 tasks.

**ACTION: Volunteer requested to co-lead Task 4 (ALL).**

5. Additional Researchers were sought to contribute to the work of the Cost Action. It was suggested that PhD students, Post-Docs, collaborators could contribute to the goals of the Cost Action.

**ACTION: Send details to Mark for the mailing list (ALL).**

6. Cost Action Responsibilities & Contributions (Branka)

The WG members were provided with a detailed description of the WG tasks as specified in the original Cost Action proposal.

7. Planning for Novi Sad Meeting (Mark)

A discussion took place on what activities need to take place to ensure a productive meeting in Novi Sad.

**ACTION: Task Leads to coordinate the workshop agenda (Mark to initiate)**

8. Actions before Novi Sad Meeting (Branka & Mark)

Do WG members have any experience with Knowledge Portals in climate or any other discipline?

**ACTION: Can you share this information with us and your experience in using that portal. Send details to Mark (ALL).**

**ACTION: Are you in a position to share any datasets that may provide early pilots/case studies? (ALL).**

Meeting closed at 18.30 CET.
